Paper To Take Off

Because of semester examinations next week, no TRUMPET will be published next Saturday, Jan. 27. The next issue of the paper will come out Saturday, Feb. 3.

—The Editor

Names of nine students to complete work toward graduation from Wartburg at the end of the semester have been released by Miss Mattie K. Harms, registrar.

Eight have completed the senior year course for a degree and one is a two-year teacher.

Robert Becker, a physical education major from Ponca, has accepted a contract for a coaching position at Ponca, where he will replace Dean Smith, 1950 Wartburg graduate, who has been called to the armed services.

Boysen To Continue Studies.
Bill Boysen, major in history and in economics from Tionka, plans to return graduate school at the University of Iowa, Iowa City, Ill., intending to study economics there. He has applied for an assistantship.

Hilda Merz, from Bowdle, S. D., graduating with a major in sociology, plans to spend some time vacationing in California, but is looking for a position as a teacher.

Miller To Teach.
Jim Miller of St. Paul has accepted a coaching position at St. Paul. His major is economics.

Mrs. Jeanette Miller, Waverly, Minn., plans to continue her studies as a housewife and baby tender.

Donald Morasch, Oshtemo, Wis., plans to continue his administration, has no immediate plans for the future.

Judy Vogel Awaits Opening.
Judy Vogel, major in biology major, is awaiting an opening for a teaching position.

John Miller, major in history from Berlin, Wis., and pre-theological student, will enter Wartburg seminary in the fall, marking the beginning of the second semester.

Mae Poppen, a two-year teacher from Alton, has signed a contract to teach the fourth grade at Greene.

Radio Station Gets Green Light From FCC

After a two-year waiting period since the original date of application, the college radio station has finally been granted permission to broadcast by the Federal Communications Commission.

Notification was received by college officials last Tuesday by telegram. The station will operate on 15.7 over a frequency of 89.1 megacycles with a total power of 10 watts. The call letters for the station will be KWAB.

To Be Found On FM Band.
According to Raymond Wilderman, faculty adviser, the station will place the new station on the lower end of the FM band. He also explained that the FCC had been requested as to whether or not the station, permission could not be granted, as the station would already be in use for another station.

Regarding the beginning of a new broadcast station, Wilderman designated the middle of February as the earliest possible date.

Wer To Lose Progress.
"Wer," he commented, "putting machinery into operation would take but a short time. However, the way to develop the technicians involved in preparing for actual broadcast."

Specifically, the two main jobs

still to be done before the station can go on the air are the grinding of the crystal and a careful checking of the transmitter.

Herb Hildebrandt, junior, is technical head of the radio station staff.

Religious Emphasis To Come Feb. 8-8

Spiritual Emphasis week will be observed on the Wartburg campus from Tuesday, Feb. 6 to Friday, Feb. 8, according to news released last week by Dr. William Hulme, college chaplain.

Speaker for the traditional pre-observation of religious emphasis will be the Rev. Walter Schmidt of Warren, Ohio. Dr. Schmidt, according to Dr. Hulme, is one of the outstanding young preachers of the American Lutheran church. He has made a name for himself as a remarkably dynamic speaker.

High comedy is Theme Of Faculty Stunt Night As Profs Hit Top In Mimicry Of Student Life

By Vineta Corlin

High comedy was presented to Wartburg students in the presentation of Faculty Stunt Night Thursday in the Little Theater.

Faculty and staff members, their wives, husbands and children enacted "The Year at Wartburg." Profs became students—anything was in order—students applauded for more!

Otersberg M.Cs.
Presented by the members of Wartburg Women's club boasted Dr. Gerhard Otersberg as Master of Ceremonies. He was assisted by Mr. Gab of the department of speech. At regular intervals, Mr. Gab quizzed the audience through the hilarious schedule of events.

Registration days, freshman in initiation, Artist Series, and commencement constituted the various skits. Each was portrayed with a minimum of dialogue and love affair followed between skits.

Haeferer Inspires.
A series of numbers consisted of "The Cavalier" by Roy Glahn, "The Wives" by Roy Glahn, "A dance troupe by several W.W.C. members, and "Burl Ives" by Ray Wilderman.

Students Reminded Of 50-Cent Charge
Students are reminded that, in accordance with a resolution passed at a recent student body meeting, the fee will be 50 cents to contribute 50 cents each in order to help defray the rising cost of printing the TRUMPET, according to Claude Greiling, senior and editor of the paper.

Money was collected at the time of second semester registration when the student pays his bill. The fee will be 50 cents to contribute 50 cents each in order to help defray the rising cost of printing the TRUMPET, according to Claude Greiling, senior and editor of the paper.

Wartburg's Week

Diamonds Hit Stride—11 Engaged, 1 Married

Ends Xmas Holidays

Diamond rings were apparently in full circulation during the Christmas holidays at Wartburg women and live Wartburg men returned to the campus Christmas Eve and the women came back a bride.

Marian Pankow, senior, became the bride of Donald Platte, class of 1950, Dec. 30, at Kriester, Minn. Mrs. Platte has returned to Wartburg and plans to graduate from here in the spring. Waldo is with the United States army and is stationed at Fort Belvoir, Mo.

Something New Added.
On the traditional third-finger ring the new bride and groom are wearing new engagement rings.

Fran Wuebbens, freshman, to Natalie Tolleson, M.D. 1/c, US NA, Annapolis, Md.

Leona Mortensen, freshman, to Lawrence Reynolds, senior at Wartburg seminary.

Delores Elmerieer, sophomore, to Eugene Parks, junior here.

Joan Kempe, sophomore, to Curtis Wuest, senior, who last week was in the Fort Belvoir.

Lucille Wenzler, junior, to Kenneth Krueger, junior at Wartburg seminary.

Therese Diers, senior, to Clarence Brauer, senior at Wartburg seminary.

Still to hear Wartburg men presented diamonds during the holidays, George E. Jackson, junior, to Helen Christine Greiling, class of '50, John Kurtz, senior, to Laura E. Greiling, senior, and Herbert Meyer, senior, to Edna Pinke, former Wartburg student.

Church Pictures Asked By Mission Fellowship For N. Guinea Natives

"Do you have any religious pictures you'd like to share?"

That was the question members will soon be asking this question when, in the next few weeks, they will conduct a drive to obtain these pictures for New Guinea natives.

Bells Announce Drive.
Aim of the entertainment was raising of funds for a new college bell system. Ringing of odd-sounding bells throughout the day announced the coming event.

Faculty Stunt night was well received at the Little Theater being filled to capacity.

Inspiration, Information To Mark Institute Here

Inspiration, information and recreation will constitute the all-day program when the fourth annual Iowa District Brotherhood Institute convenes here Monday, Feb. 19, according to H. C. Engelbrecht, institute chairman.

Following the morning meetings in the Knights gymnasium, the Brotherhood will assemble for a banquet at St. Paul's parish house. The afternoon program will include an address by Dr. William H. W. Siefkes, Iowa district president; meetings of various workshop groups, and a "play hour" at the Lutheran Mutual building.

Brotherhood members will conclude the day at the Wartburg Buena Vista basketball game in the evening.

"This will be an all-day event of real worth and interest to the hundreds of Brotherhood members here in Iowa and to the 'must' said Engelbrecht, "it is our hope that each of the Brothers in Iowa and surrounding area will be represented by at least a carload of men."

Church Pictures Asked By Mission Fellowship For N. Guinea Natives

"Do you have any religious pictures you'd like to share?"

That was the question members will soon be asking this question when, in the next few weeks, they will conduct a drive to obtain these pictures for New Guinea natives.

Bells Announce Drive.
Aim of the entertainment was raising of funds for a new college bell system. Ringing of odd-sounding bells throughout the day announced the coming event.

Faculty Stunt night was well received at the Little Theater being filled to capacity.

Canvass Waterloo.
Purpose of the drive is to obtain these pictures from Wartburg students. Pictures from church calendars or Sunday school lessons are acceptable.

At the request of the Iowa district, Mission Fellowship members will conduct a canvass of two areas in Waterloo to determine the advisability of establishing a mission center there.

Of these two areas one will probably be chosen to become eligible for the "package mission plan" of the American Lutheran church. This plan gives \$65,535 to a mission center to get it started and support it for four years.

Mary Alexander To Be Delegate To FTA Meet

Mary Alexander, sophomore, was chosen at a recent FTA meeting as a delegate to the Iowa Future Teachers Association meeting to be held in Des Moines on Feb. 2 and 3.

Holding its meeting in conjunction with the Iowa State Education Association, the Iowa FTA delegate council is given the opportunity to observe ISEA functions.

Alternate delegate for the meetings is Anne Leo, junior. Also attending this meeting will be Kathryn Aden, sophomore and secretary of the IFTA.

Dr. Hiltner To Speak

Dr. John Hiltner, head of the philosophy department, will speak at the regular meeting of the Lutheran Student association tomorrow night at 8 p.m. according to information released this week by Dave Geake, president of the organization. Those at his address will be "Dare To Live Truly."

Ice Skating Rink Remains In Offing Waiting For Hosi

"When will we have an ice skating rink?" is the question many students have been asking.

Trouble in obtaining use of a building necessary to flood the rink and the warm weather are the main causes for delay, according to Everett Wuebbens, sophomore, in charge of the project.

"But," he adds, "if we can get a building, the weather gets colder, we're going to have a skating rink before the second semester."

After the Waverly Fire department and the Department of Education refused to allow a hose an attempt was made to use the fire hose in Grossmann hall, but that idea was abandoned. It could not be used. Wuebbens is now trying to obtain permission of the Wartburg Board of Trustees to the athletic department.

Recital Will Feature Landis', Glahn's Pupils

In a student recital tomorrow at 4 p.m. in the Little Theater, the Wartburg piano department will present pupils of Mrs. Flora Landis, piano instructor here, and Roy Wuebbens, piano teacher.

Pianists taking part in the recital are Marjory Gross, sophomore; Paula Scher, junior; and Roy Wuebbens, sophomore. Also participating are Joan Haver, freshman; Lois Goltz, sophomore; and Jean Wuebbens, sophomore. Also performing will be a mixed quartet consisting of the Wuebbens, Roy Wuebbens, Jimmy Sexter and Henry Grubowski.

Fast Duhawks Surge Past Knights, 79-62

By Rudy Kolberg

With the help of Jim McCabe's uncanny scoring, the Loras Duhawks last night hung a convincing defeat on the Wartburg quintet in the Knights gymnasium as the outfit from Dubuque won by a healthy 79-62 score to give the black and orange a 1-3 conference record.

Fast-breaking, sharp-shooting and rugged on the boards, Loras' defensible Iowa conference champs looked like a championship aggregation all the way as they convincingly outplayed the Knights.

Miller Leads Again

Art Miller again led Knight scoring as he found the target for 15 points while the Steinbauer brothers were the other locals in double figures as Harold made 12 in his first role as a starter while Pete came through with 10.

M McCabe, who has broken every Iowa conference record, tallied 26 points for the visitors. Teammate Jack Rohan scored 13 while Gene Ternes and Ted Moskal were the other big guns for the winners with 11 apiece.

Knights Threaten Once

The Vince Douc-coached Duhawks took a 10-1 lead after 6 minutes of play and then downed a substantial margin for the rest of the game being threatened only once by a Knight scoring flurry early in the second period.

As Bundgaard's eagles jumped into an early 40-40 lead during the first minute of play, but the feared McCabe began hitting on his beautiful fade-away jump shots and little Ted Moskal earned a blistering fast break as the visiting favorites began to close in on the fading Knights despite some fine shooting on the part of Art Miller.

M McCabe Tells Difference

After the Duhawks had climbed into a 10-8 lead, they began to scorch the nets and piled up a 24-11 lead in five minutes. Wartburg's scoring drought was momentarily broken when Bosters popped in a fielder, but a siege of bad Knight shooting and five buckets in four minutes by the fabulous McCabe soon erased Wartburg hopes for a fourth lead on the short end of a 32-15 round with six minutes remaining in the first half.

With Harold hitting for three buckets and Fritz pushing in a rebound shot, the Steinbauer brother combination sparked a brief rally in the dying minutes of the

first half to cut the Loras lead to a 39-16 halftime margin.

Hits 9 of 23.

M McCabe kept the visitors in the lead during the first half as indicated by his 16 points, hitting for 9 out of 23 attempts.

Amazing shooting and fire-wagon basketball left the crowd gasping after a few minutes of second half play which found Wartburg getting the better of the furious exchanges of net-switching as five consecutive shots sailed through the rim.

Alex Cui led.

Wartburg began to whittle away the Loras lead and after five minutes of second half play had cut the spread to 6 points to make it 46-42 and Knight followers were cheering for a comeback.

But all hopes of Wartburg overtaking the easterners were soon shattered when lanky Gene Ternes and Bob Lagers hit for two field goals apiece for a healthy 61-45 lead with 6 minutes of playing time remaining.

The Duhawks continued to pull away from the Knights during the closing minutes as they snatched the inaccurate Knight shots off the boards and converted them into buckets for a 74-54 lead with 2 minutes playing time remaining.

Both coaches cleared the bench at this point and with big Bill Adix hitting the range with 3 baskets, the Knights cut the final difference in scoring to 17 points.

Wrestler Wilharm Gets Week's W-Club Award For Three-Win String

By Renais Schumacher

Exactly one year ago, Wendell (Red) Wilharm copped the honor of being Athlete-of-the-Week. This week he repeats the feat by being the "W" club's choice for the award.

This time, the aggressive, freckle-faced grappler gets his title for stellar performances against foes from St. Ambrose, Augustana and Dubuque U. He racked up three pins in those three matches, one of the five-pointers coming against the Bee's highly touted 128-pound, Nyquist.

Has Never Been Pinned

Scoring fans is not an unusual accomplishment for Red. Last season he had his opponents or their backs no fewer than six times to pace the Nelsonsmen in this department. Furthermore, Wilharm has never yet heard the umpire slap the mat in his disfavor—in five years of prep and college wrestling he has never been pinned.

Wilharm was the top point getter on the team last year with a record of eight wins against only three setbacks. So far this season, Red has won all four of his matches.

Favors Wrestling

His favorite sport is, of course, wrestling.

He states, "I didn't like it at first, but it didn't take long before I enjoyed it."

As far as holds go, Red is sold on the effectiveness of the deadly guillotine. He claims it hurts more than the milder and much more common half-nelson.

Matmen Take Dubuque, St. Ambrose, Lose To Auggies In January Matches

By Fred Mobarg

Wartburg 20—St. Ambrose 16
123-lb. DOWNING threw Vogel in 2:35.
130-lb. W. WILHARM threw Stoltemier in 3:46.
157-lb. Campbell decisioned L. WILHARM 4-0.
147-lb. BEAVER threw Berry in 8:35.
157-lb. FORKITT.
167-lb. DIRKS threw DeBruyn in 5:00.
173-lb. Gredell threw REASLAND in 5:30.
Hwt. Micbalk decisioned ZWANZIGER 8-3.

Wartburg 15—Augustana 19

123-lb. DOWNING threw Williams in 1:40.
130-lb. W. WILHARM threw Nyquist in 7:40.
137-lb. Johnson decisioned L. WILHARM 4-0.
147-lb. Whalen threw BEAVER in 6:15.
157-lb. Scherling decisioned DIRKS 4-0.
167-lb. Benson decisioned REASLAND 7-5.
Hwt. ZWANZIGER threw Ford in 8:00.

Wartburg 25—University of D. 9

123-lb. DOWNING threw Schetgen in 6:55.
130-lb. W. WILHARM threw Jones in 2:18.
137-lb. L. WILHARM decisioned Matton 6-4.
147-lb. BEAVER drew Childs 14-14.
157-lb. DIRKS drew Tindrell 7-7.
167-lb. REASLAND decisioned Donaldson 7-1.
177-lb. Kramer threw SCHUSTER in 4-2.
Hwt. ZWANZIGER threw Thompson in 4:13.

Wartburg grapplers have scored 60 points to their opponents' 44 in post-holiday competition, winning over St. Ambrose 20-16, losing to Augustana 19-15 and winning over the University of Dubuque 25-9.

Knight victories over the Dubuque Spartans and the St. Ambrose Bees indicate possibilities of another Iowa conference championship for the three-year conference champs. However, these possibilities will be hampered when "Red" Wilharm and Fred Downing withdraw at the semester to enter the service.

Sport Perfect Records

Downing and Wilharm are both sporting perfect records in their January meets, each having pinned three opponents. Downing holds the speed record with his one-minute victory over Williams of Augustana. "Red" is leading the team scoring for the season with 16 points.

Lyle Wilharm, freshman and former Waverly High wrestler, decisioned Matton of Dubuque last Wednesday evening in a thrilling fight in spite of his bad hand. Lyle seems to take a lot of chances, but his extraordinary sense of balance usually leaves him in the up position.

Beaver, Dirks Show

Keith Beaver and Bob Dirks, two newcomers to the first string, have given creditable performances on the road trip and in the home appearance. Each fought to a draw against the Spartans of Dubuque. These men should go places with more experience. Time will tell.

Otto Zwanziger, dependable, hardworking, peppyweight wrestler, showed his conditioning and experience again as he neatly pinned Micbalk of St. Ambrose, who now has 27 straight wins. Micbalk, however, beat Otto by a decision in the final period to hold the record. Otto showed more of his ability as he pinned Augustana's Bill Ford in three minutes and Dubuque's Thompson in 4:13.

Survey Proves Teachers Are Underpaid; Prof Says He's Getting Rich Tax-Free!

By Claude Grilling

Evidently all is not roses in the teaching profession. A recent survey conducted by the U.S. Department of Labor's bureau of statistics merely proves a suspicion which teachers have had for a long time—they're underpaid.

From the interview of some forty-two thousand scientists in the fields of private industry, government service and education, the bureau found that salary levels vary considerably according to the type of employment. Earnings are highest in industry, not quite as high in Uncle Sam's service and lowest in education.

Discrepancy Universal.

This discrepancy holds true not only for the entire group of scientists, but also for those in each age group, in every scientific field and in every region of the country.

For Ph. D's in all specialties taken together, the median salary in private industry was \$17,070 a year, in government \$6,290 a year and in education \$4,260. Interesting is the fact that, even though engineers had the highest median salary and biologists the lowest, the difference made by employment was so great that biologists, working for business firms tended to earn more than engineers on the college campus. Furthermore, most of the educators reported that they had outside sources of income such as lecturing fees, book royalties, or make-up courses. However, this extra income by no means made up the difference in salary levels between education and other employment.

Future Teachers May Hope. Prospective teachers on our college campuses should, however, not be too discouraged by this evident financial slighting of their chosen profession. At least

not if we are to believe Prof. James C. G. Conniff, whose article in the Jan. 20 edition of the Saturday Evening Post carries the unbelievable title "I'm a Teacher Who's Getting Rich." Conniff teaches English at a small eastern liberal arts college, and he readily admits that the teaching profession is one of the easier way to bankruptcy. But, he says, a teacher can get rich at the job.

Property Is Tax-Free.

"Building responsible citizens, molding the future heads of families, raising boys and making men who can stand on their own two feet before their fellowmen and their God—that is the kind of spiritual property a man can occupy tax-free for a lifetime." "No," says Conniff, "in teaching there is never enough money. But it offers a kind of wealth which has one awesome characteristic: no other riches are heir to. Once you possess it, you can never go broke."

Squires Humbled By Luther Jinnors

Wartburg "B" squad journeyed to Decorah last Tuesday night to have its perfect string snapped at seven straight by the junior Norsemen, 52-4. Luther Jinnors, an early 14-4 leader, then went on to a 2-14 margin at halftime. Coach Earle Oppermann's Squires were too cold to make much of a battle out of it, as the Luther "B's" went on to take the decision.

It was the lowest total so far this season for the Squires, who have racked up an average of 64.3 points a game. Opponents are hitting for 42.5 points a contest.

Harlan Dubbs, freshman guard, leads the point-makers with 77 counters. Forward Bob Uhrich, another freshman, is pressing Dubbs for top honors with 75 while Wehrand has 60.

Kittelson and Haase, lately of the Squires, moved up to the varsity last week. Bonhoff, who had been replaced then on "Oppie's" squad.

Whiting Outlines Church Responsibility

By Ivan Amman

"It is this the day of our death, let us die doing God's work."

These words concluded last Tuesday's convocation address of the Rev. Henry J. Whiting, executive secretary of the Lutheran Welfare society in Minnesota. Mr. Whiting was formerly a Lutheran pastor and also did social welfare work in Wisconsin.

Theme of this address was "The Church's Responsibilities for Social Work," in which he gave six specific reasons why the church should be interested in social welfare. The first and most important was as follows:

Members of Fellowship.

"We are members of the Christian fellowship created by baptism and sustained by communion."

This breaks down race and social barriers, leaving Christians free to help the unfortunate who have a right by justice to expect help.

This society gives the church a medium with which to meet the problems of the world. It affords an outlet of love in our complex world, whereas the congregation used to give the welfare only to

the local people.

Guilt Complex Responsible.

Third is that of offering the church a place to carry out religious therapy rather than using shock treatment. Mr. Whiting stated that nearly ninety per cent of mental illness is caused by the feeling of guilt.

Lutheran Welfare society offers a way for the church to relate itself to community, country and world. The police and prison wardens say that the church must keep the moral high.

"We are in the world but not of the world," stated Mr. Whiting. Affording a source of information as the basis of solving social problems is the fifth reason, giving the church first hand information whereby vice and pain may be alleviated by social workers and pastors.

Concluding the speaker stated, "The Lutheran Welfare society provides a place for the church to demonstrate its faith and love, especially for the individual. It is a great way in which one can serve God and his church."
